- *Create products and services that make the planet a better place.*
- *Grow a fun culture that inspires excellence.*
- *Create a new abundance of personal time, space, and freedom.*

## DECORATED PILOT

Ed Rush is a decorated Marine Corps F/A-18 pilot and 5-Time #1 Best Selling author. At the height of his career, he was the #1 instructor in the Marine Corps for 1-against-1 dogfighting and was instrumental in the training development for the new F-35 Lightning II Joint Strike Fighter.

Ed has flown close to 2,000 tactical aircraft hours, with over 50 missions in combat for which he was awarded an Air Medal.

He has flown everything from small

trainers to mach 2 fighters including T-34, T-2, A-4, H-1, F/A-18, F-5, and MiG-21. He also flew and beat a Russian made MiG-29 in a training mission.

The lessons Ed learned in the cockpit are instrumental and provide the content basis for much of his consulting and speaking.

If your company feels like it's flying with one engine, then have hope! Ed holds the F-18 distance world record for flying with only one engine. (Really)
